10. Lisle's central objective is to advance intercultural engagement. What groups are you bringing together and what is the challenge among them that you are trying to resolve?

Please use 250 words or less. Please indicate how advancing intercultural engagement is the main focus of your project. Projects may seek to bridge a variety of community divides, including ethnic, cultural, religious, age, racial or gender perspectives, anywhere in the world.

11. Project Description: What are the activities planned for the project?

Limit your response to 200 words or less

12. Timeframe: When and for how long will the project take place between January – December 2026?

Please use 200 words or less, to describe how the funds will allow you to better serve your audience and/or expand the people you serve?

13. How will the grant help you start a new project and/or expand your work in a new way?

Please use 200 words or less.

14. Applicants who are invited to submit a full application are assigned a Lisle Mentor, who can offer support and suggestions as well as answer questions during the process. You can see more about the mentor’s role [HERE](#). If you already are in touch with a Lisle mentor, please indicate their name here.

15. Do you have any questions you would like to ask us?

16. How did you hear about Lisle Global Seed Grants?
